FORGET IT, KID. THERE WAS NOTHING ELSE I COULD DO.
NOTHING AT ALL!
THE NIGHT OF THE BATTLE... A SHADOW STIRS IN THE TENT OF THE COMMANDING OFFICER...
NEXT TO TRYING TO DESERT THIS AFTERNOON, THIS WAS TO BE THE CRAZIEST THING I'VE EVER DONE! IF THE CAPTAIN CATCHES ME SNOOPING THROUGH THE RECORDS...
SEE SOMETHING YOU LIKE IN MY FILES, SERGEANT?
UH, EXCUSE ME, SIR! I, ER... OH, WHAT'S THE USE? TO TELL THE TRUTH, SIR, I WAS LOOKING FOR THE FILES OF THE MEN PROMOTED BEFORE ME RECENTLY.
I WAS... I WAS PLANNING TO RUIN THEIR GOOD RECORDS, SIR. THAT'S WHAT I WAS DOING. AND I'M A LITTLE SICK TO THINK...
DON'T BE, SERGEANT. IF ANYONE DESERVES TO BE TOLD THE TRUTH ABOUT THOSE INCIDENTS, IT'S YOU. LOOK...

...THE ONLY REASON YOU'RE STILL A SERGEANT IS THAT YOU'RE SO DARN GOOD AT TRAINING OTHER MEN FOR POSSIBLE PROMOTION. WITHOUT PEOPLE LIKE YOU, MICHAELS, PEOPLE LIKE ME MAY NEVER BECOME OFFICERS!
I...I DON'T KNOW WHAT TO SAY, SIR! I GUESS I'M JUST ABOUT THE BIGGEST FOOL ON GOD'S EARTH! I...
BOMBERS! HIT THE DECK, SIR! I'LL GET SOME MEN TOGETHER!
NO! SERGEANT! IT'S TOO LATE, ...GET UNDER COVER!
UNDER ME, CAPTAIN! UNDER, UHH...
THE OFFICER SURVIVED THE ATTACK, THANKS TO THE SELFLESSNESS OF SGT. JASON MICHAELS... A SELFLESSNESS THAT COST THE NON-COM HIS LIFE...
A TWENTY-ONE GUN SALUTE, CAPTAIN? I UNDERSTOOD THE MAN TO BE A SERGEANT, NOT A GENERAL!
YES, HE WAS A SERGEANT. BUT IF YOU DISAPPROVE OF THE HONOR...
...SEND ME THE BILL FOR THE BLANKS! IT'S THE LEAST I CAN DO FOR HIM!

OKINAWA

OKINAWA, A SMALL, JAPANESE ISLAND IN THE SOUTH PACIFIC, WAS THE LAST ENEMY STRONGHOLD BLOCKING THE WAY TO THE INVASION OF JAPAN.

IT WAS DEFENDED BY OVER 100,000 JAP TROOPS. ON APRIL 1, 1945, MARINES AND SOLDIERS OF THE 10TH ARMY HIT THE BEACHES OF OKINAWA. BY NIGHTFALL, A BEACHHEAD WAS ESTABLISHED.

ZIP

THREE WEEKS LATER, MARINES HAD REACHED THE NORTHERN END OF OKINAWA AND WERE CLEANING OUT POCKETS OF RESISTANCE, BUT THE JAPS HAD CONCENTRATED THEIR DEFENCES ON THE SOUTHERN TIP OF THE ISLAND.

RESISTANCE GOT HEAVIER! THE FIGHTING BECAME FIERCE AND BRUTAL! JAPANESE FANATICS CHOSE TO DIE, RATHER THAN TO SURRENDER.

IN THE LAST WEEK OF MAY, THE CAPITAL CITY OF 'NAHA' WAS FINALLY TAKEN...YET, BITTER FIGHTING CONTINUED! GENERAL BUCKNER, THE 10TH ARMY COMMANDER, WAS KILLED BY A JAP SHELL FOUR DAYS BEFORE THE CAMPAIGN ENDED!

OKINAWA WAS FINALLY SECURED BY JUNE 22, 1945! 11,260 AMERICANS HAD DIED! THREE TIMES AS MANY WERE WOUNDED! ALMOST 100,000 JAP SOLDIERS HAD DIED. JAPAN WAS READY TO BE INVADED...BUT NEVER WOULD BE!

IN 1949 GUS SCHEMMLER JOINED THE MARINE CORPS. IT WAS HIS NINETEENTH BIRTHDAY AND FROM THE FIRST HE WAS THE KIND OF MARINE RECRUIT DRILL INSTRUCTORS PRAY FOR. HE TOOK TO LIFE IN THE MARINES LIKE A DUCK TO WATER. HARD AND TOUGH ALL THE WAY! AND HE SHOWED IT IN HIS FIRST COMBAT IN KOREA AGAINST AN ENEMY MORTAR DUGOUT AS HE BECAME...

MAKE ANYONE DO ANYTHING YOU MENTALLY COMMAND—

WITH YOUR MIND ALONE!

I would be skeptical if I read an ad like this! But I'd also be highly intrigued as you are now.

With good reason! The very thought of possessing the ability to *command, control and dominate others* is probably your secret wish. One which you sincerely believe could *never* come true.

Well think again! Your secret wish is about to be granted in full, unmistakable measure. A few short days from now you are going to *demonstrate* that fact to yourself right in your own living room.

On that fateful, momentous occasion you are going to mentally project a thought command to someone you know. Not one word will be uttered by you.

[redacted]

And only *you* will know why he or she is acting in that manner!

Your next test is going to be even more *unbelievable*! This time you'll command not just a single individual but a *group of four or five people*. This time you'll mentally project a thought command to *all* of this group!

[redacted]

Again, they will have absolutely no idea whatsoever that their actions—seemingly voluntary—came directly *from you*! Why should they? You said nothing. Made no gestures. Nor indicated your wishes in any way—except *mentally*.

Yet you're going to top even these astounding results! In the weeks and months, thereafter, and throughout the *rest of your life*, you are going to intensify your secret ability to command, control, and dominate others in ways that may bring you thousands of dollars extra ... the love of someone you desire ... the status and position you've thought unattainable—*until today*!

If you are selling, the toughest prospect will be putty in your hands. The urge to sign a sales contract *with the terms dictated by you*—will be irresistible.

In business situations your ideas are the ones which will be heartily and enthusiastically approved by the "top" brass—just as if you wore the boss' hat!

In your private life, you will capture the adoration and affection of anyone you fancy—*now at first sight*!

At social gatherings, you will be the *one* regarded as the leader—the person who makes decisions that must be unquestionably obeyed ... at once!

Yes wherever you go what-ever you do *everyone* you meet will come under your silent control. *Do with them as you will!*

Does all this sound *impossible*? Not only hard to *believe*—but hard to *achieve*?

Then get set for the surprise of your life!

[redacted]

Stop and think *for a moment*. Skeptics were once convinced that the earth was flat. They were dead certain that the new-fangled automobile would never ever replace the horse and buggy. Man reach the Moon? *Impossible*!

You and I know differently. The "never happens" of yesterday are stark realities today. So if you are still a skeptic, I'm more than willing to give you the opportunity to make a liar out of me. To prove that everything I've told you so far could never happen.

Along with the opportunity to prove me wrong, I'll also give you the risk free chance to prove I'm *right* ... along with a *free gift* for you to keep. Here's my proposal:

My company has just released a strange new manual dealing with a subject that has fascinated the human race since the beginning of time. That subject is *parapsychology*. It deals with the ability of the mind to project thought and communicate with others outside the body, using *none of the five senses*.

The manual takes this exciting subject and develops it into a new technique to help you *command, control* and *dominate* people with your mind alone.

Actually, you do not need the manual to do this. You have already done so many times *without ever realizing* it, through your own unconscious native born ability. The manual will help you to understand the technique so that you can perform it *consciously* on demand to achieve your goals and wishes.

We call this technique SUCCESP ... the science of extra sensory *persuasion*. This is not the regular ESP you've heard about. This is Extra Sensory *Persuasion*. Properly used it permits your *thoughts* to influence one person of many.

This manual could be the basis of a personally conducted course with a fee of $250. But not being a school, my company felt that the manuscript was so simply and clearly written, the instruction so precise that anyone who could read could master the technique.

[redacted]

A select group of executives paid $1,000 each to learn the amazing secret contained in the copyrighted Monograph offered as a bonus in this announcement. Each individual attended a half-week seminar to help them achieve the *same* goal through the same message revealed in the Monograph. But you won't have to pay $1,000. Just mail the coupon for full details on how to get it FREE!

Therefore no class, no course were required. And instead of $250 we could slice the price all the way down to a mere fraction of the normal cost ... payable *only* if you are fully convinced. And with the transaction handled entirely by mail for your convenience and privacy.

[redacted]

So be as skeptical as you like — but keep an open mind and send for your Manus Review Folio. It details in awe-inspiring depth the concept of SUCCESP and how you can use it at will to make anyone do anything ... *with your thoughts alone*!

It offers you an amazing *no-risk* plan to try SUCCESP for a full 30 days at home or the office on a date or wherever you happen to be, night or day. Convince yourself beyond a shadow of a doubt that this manual truly gives you the fantastic power to command, control, and dominate everyone you meet.

For prompt shipment of your Folio just mail the coupon below with $1. You will not be further obligated in any way. And if you act at once I'll include free information on how to get and keep a unique bonus Monograph "The Secret Worth $1,000."

The coupon brings your Manual Review Folio and the free gift offer by return mail. But things take a chance on snafu's! Your success may well depend on it. SUCCESP.

How to make others secretly DO YOUR BIDDING with the astonishing power of

AUTOMATIC MIND COMMAND!

Here's how to get started in just 3 minutes . . .

Dear Friend

New power is about to leap into your life . . . an astonishing way to control the thoughts and actions of others without their knowing it . . . no matter how much they may not want to follow your instructions, they carry them out to a "T" every time.

With "Automatic Mind-Command" you'll be running the show. "Make a wish" turns on The Power and watch those around you drop everything and do what they're told.

And nobody will even have the faintest idea that you're behind it all. That's the beauty of "Automatic Mind-Command" . . . you are the only one who knows what's going on—you alone decide when things should start . . . stop . . . change around.

CONTROL YOUR FRIENDS OR STRANGERS!

You can use it to control your friends or strangers, one at a time or in large numbers at any time, and ANY WAY YOU LIKE.

For example: You go into a bank for a loan. The credit man smiles but says: "Sorry. You don't qualify for a loan right now, however there's anything else I can do for you, I'd be glad to . . ." Then in a flash, his tune changes when you let loose your "Automatic Mind-Command." He continues, "In fact we'll be glad to give you $1,000 more than you asked for. And any time you want more, just see me personally. Thank you so much for coming by."

Impossible? You'll be doing things like that every day without even thinking about it. As soon as you need something done, it's done. The people who do these things for you will remember what they did but not why!

FUN POWER—TOO!

You can have a lot of fun with this power, too. Look how Evelyn C. used it at work . . . One day, while typing papers, her boss angrily inquired why she had to make so much noise—and scolded her in front of everybody. Evelyn said nothing, just smiled to herself—for she had just turned on the "Automatic Mind-Command." Suddenly the boss apologized for being a scoundrel. "Please . . . I'm sorry," he said, in front of everybody. "I'd like to make it up to you!" And he told her what a wonderful person she was. When Evelyn turned the power off, the boss just stood there with an open mouth, wondering what made him say all those things.

Think what this power can mean in your life. You need money . . . and it's there! You want some affection . . . you'll be smothered! You want peace and quiet . . . the world stands still.

NO MORE SECRETS WILL BE KEPT FROM YOU!

People who think they can hold back the facts will meet their master in you! You just flip the title "Automatic Mind-Command" at them and they'll sing like meadowlarks . . . Hope I was at her with cool when she tried to find the money she'd put aside to pay the rent—it was gone. A frantic search through the house turned up nothing. There was only one possibility left . . . she asked Billy. A look of surprise crossed his face. No—he hadn't seen any money. But Mom didn't believe him, and started using "Automatic Mind-Command" to find out if he was telling her truth. Suddenly Bill reached into his pocket and took out a roll of money. After giving her the money he acted as if nothing had happened.

To ask how many secrets must be hidden all around you! Things your spouse won't tell you . . . your neighbors won't say . . . your boss keeps quiet about . . . ALL BROUGHT INTO THE OPEN JUST FOR YOU!" They'll tell you all their secrets but they won't know why.

Hold on now, because I haven't told you yet about the best part of "Automatic Mind-Command."

You may have to bolt your door to keep people from overwhelming you with love, gifts, favors, rewards! Perfect strangers will be waiting up to you and asking: "How are you?" "Can I do anything for you?" They will never suspect that "Automatic Mind-Command" is impelling them to like you, please you . . . and automatically want to help you.

INSTANTLY YOUR LIFE IS CHANGED!

At first, I couldn't believe it. And yet I know this to be true from my own personal experience . . . time after time. For example:

A STRANGER HANDS HIM $500—Harry G., a low-paid factory worker, wanted to start a business of his own. All he needed was cash to get started, but no one would give him the money. Finally someone told him how to use "Automatic Mind-Command" and Harry willingly tried it. A short time later, a perfect stranger handed him $500—saying he'd heard about Harry's plan, and was eager to help him get started.

Unusual? Not at all . . . things happen every day with "Automatic Mind-Command."

RECEIVES NEEDED CASH QUICKLY!—Mrs. Thelma J. reports, "I needed money badly. Her husband hadn't worked in months, and their savings were running out. Then she discovered "Automatic Mind-Command"—and turned on the power immediately! The next morning she received a package containing several hundred dollars from friends and well-wishers she never knew existed.

In all history, few indeed are the ones who have recognized "Automatic Mind-Command." The rest, who do not use it, pay the penalty in suffering, wishing, hoping, dreaming. Now I say to you: Wish no more!

HOW TO GET STARTED IN JUST 3 MINUTES!

Minute #1—Fill out the No-Risk Coupon and mail it to us.

Minute #2—When you receive a package in the mail from us, open it.

Minute #3—Lift the front cover, and let the secret feed itself to your mind automatically.

IN THAT INSTANT, YOU WILL ALREADY BE ABLE TO USE "AUTOMATIC MIND-COMMAND" FOR THE FIRST TIME . . . for money, love, healing, protection, and much more!

Imagine the thrill of [illegible] . . . and people [illegible] . . . to see a halo wave [illegible] . . . and [illegible] . . . for money, gifts, legacies . . . a [illegible] . . . tide of good fortune!

MORE AMAZING CASE HISTORIES!

And it's all in minutes away!

Larry S. wanted to see his girl friend—although he had no idea where she was—and no way of contacting her by letter or phone. From far away he began using "Automatic Mind-Command!" In that instant, his girlfriend knew what she had to do. She dropped what she was doing, excused herself and hurried to visit him. Arriving in record time, she hugged and kissed him, explaining that "something told her he wanted and needed her, and what could she do for him!"

Now here is a most fantastic use of Automatic Mind-Command"—one I'm sure you'll agree proves that here is a power which staggers the imagination!

For example, cases of health-symptoms relieved with "Automatic Mind-Command!" John C. reports that his hearing now seems normal again! Warren W.'s blurred eyesight cleared, sharpened and now seems normal. Lydia E. says her arthritis symptoms of soreness and stiffness in the fingers were relieved when nothing else seemed to help, and Mrs. M. S. was surprised when her leg pain disappeared. Bella S., who complained of "ulcerative colitis" with stomach cramps and diarrhea, obtained fast relief . . . And others report relief from complaints of high blood pressure, heart symptoms, migraine headaches, weakness, dizziness, fatigue, and more.

It's simple, easy, and automatic to apply!

DIE BY NIGHT

In June, 1951, General Matthew Ridgway's United Nations forces pushed north into North Korea but they stopped there. A war that had been one of quick, slashing attacks became one of limited movement with both sides dug in along the 38th Parallel. Truce talks began in July, 1951, but bloody, bitter fighting went on.

The historians called this phase of the Korean War the "Battle For The Hills," and it became one of the bloodiest wars in history. Some of the worst battles were fought at Bloody Ridge, Heartbreak Ridge, Old Baldy, and Pork Chop Hill.

The Marines were always up there in the CZ or Combat Zone. It had become a very peculiar war. Command posts were supplied with electricity. Field kitchens were moved up near the combat area, and the troops were probably the best fed in the history of warfare.

But the casualties were heavy — especially at night. Patrols went out in darkness, men from the United States who'd lived all their lives with electric lights in their homes, bright headlights on their cars, men who seldom had experienced total darkness very often. And they were fighting Chinese who were accustomed to surviving in lightless nights, men whose night vision had not been impaired by constant exposure to light.

The patrols went out every night. Marine Sgt.

Wayne Jenson led his patrols into the darkness, probing for Chicom troops trying to move into position to bushwhack the Marines at dawn.

Jenson's patrols suffered a lot of casualties. Often, 18 or 19 year old Marines only in Korea a few weeks died on their first patrol. Jenson took it hard when this happened, and often he'd brood about it all next day.

He told his platoon leader, Lt. Al Cotswold.

"Why send out eight or ten on patrol, skipper?" Jenson asked. "We always lose one or two good men if we run into any Commies."

The platoon leader continued gulping down chow as his squad leader complained. "We have standing orders, Wayne. Send out patrols every night. You seem to like the duty and you do it better than anyone else so you get stuck with it. If you like, I'll have Baker or Gronsky take over."

Jenson shook his head.

"Baker's goin' home in a couple weeks. He ain't gonna do the job and Gronsky's tryin' to live forever. He'll take the patrol out to the first safe place he finds

and sit there for an hour, then come back."

Lt. Cotswold sighed and looked at his sergeant.

"What do you think we should do, sergeant?"

Jenson knew he was being stupid, but he said what he had to say.

"One man patrols, skipper. I can go out and see just as much as eight or ten, and I won't have to worry about gettin' the rest of them back."

The lieutenant sat and looked at him. He had led patrols into the Combat Zone before a Colonel had hit him with a commission in the field. He knew how dangerous it was

"You're sure, Wayne?"

Sgt. Wayne Jenson nodded. "Better this way, skipper. I won't have to think about guys who died out there because they were stupid or green or whatever."

That night, just after dark, Sgt. Wayne Jenson slipped off the red lenses he'd worn ever since he'd awakened at six p.m. His night vision was unimpaired. He moved through the rocks on the hillside, seeing each obstacle in the starlight, unhampered by darkness

Sgt. Jenson went on patrol alone that night. The Marines dug in in foxholes heard a far-off clatter [illegible] several times, then the hysterical firing of enemy guns.

As if to signal his survival, they heard Sgt. Jenson's weapon chatter a reply

Jenson came in just before daylight, took chow from Cpl. Liguori, then fell asleep in the Command Post, the red glasses on. He went out again that night and the company was listening to his weapons, grenades, and the answering enemy fire.

Jenson came back. Jenson came back every night after weeks and weeks of patrol. He was pooped, but his nerves were holding up. And the Chicoms were not moving forces into the area. Chicom land mines weren't killing any men. And no young Marines were dying.

It happened in September, 1951. Sgt. Jenson went out on night patrol. The Chicoms were waiting in the darkness, opening fire. The first burst slammed Jenson back but the Chicoms didn't get a chance to finish him off. The entire company charged through the night, driving the Commies back.

They found Jenson still alive, a bullet in his thigh, another in his arm.

"No sweat, lieutenant," Jenson said painfully. "The body armor saved me, but I guess I'm through on night patrol for awhile."

Your Questions About Mystic Chants Answered

Q. Can I use these Mystic Chants just once or do they have to be repeated over and over?

A. Many of these Chants can be used once. Others are designed to be repeated a few times as this heightens their effectiveness. However they are short and it would take you only a few minutes to repeat them

Q. Must these Chants be memorized?

A. No. As you have to do to read them out. If you don't want to carry the book around, simply copy a few Chants on a card and put it in your pocket

Q. Are these Chants hard to read?

A. Of course not. They are clearly printed easy-to-read and do not contain words that are difficult to pronounce

Q. Are these Chants Black Magic or White Magic?

A. Without a doubt, White Magic. In one case an evil woman stole Laura M's husband using Black Magic. Laura used this Chant on page 139 "V h— I l— y— " Within a few days her husband pleaded with her to take him back

Q. If these Mystic Chants are so powerful, why doesn't the author use them himself to become a millionaire?

A. The author has done just that. By saying these Chants, Norvell has become wealthy and a celebrity. Now he devotes his life to making others rich and happy.

Q. Are these Chants dangerous?

A. About as dangerous as combing your hair. You see they can be used only for good, sincere purposes. If used for an evil purpose they will have no effect

Q. Time is running out for me. Can these Mystic Chants find me a husband?

A. On page 24 you'll find the Chant Georgia R used to attract a rich partner in a few hrs. What's more, you can attract a man with the precise character you admire.

YOUR SIZE IS NOT IMPORTANT.

The size of your bubble is. And that means choosing the right bubble gum —Hubba Bubba. Because when it comes to great, big, fat bubbles, nothing sizes up to a Hubba Bubba bubble.

ACCEPT NO SUBSTITUTES.

This boy did. And now instead of wearing a smile, he's wearing a paper bag over the bubble gum stuck to his face. Definitely not soft and juicy Hubba Bubba Bubble Gum. Does Hubba Bubba really work? Absolutely! Hubba Bubba is gumfighter tested and approved.

So pick up a pack of Hubba Bubba in original or mint flavor. Enjoy that soft, juicy, delicious taste. Plus those great, big Hubba Bubba bubbles that won't stick to your face.

SOFT. JUICY. DELICIOUS.
